**The Game Box Adventure**

CAT: You know!! In zoo, We can see lot of rare Species. Their name, habits, diets & speciality varys & it will be interesting too!!

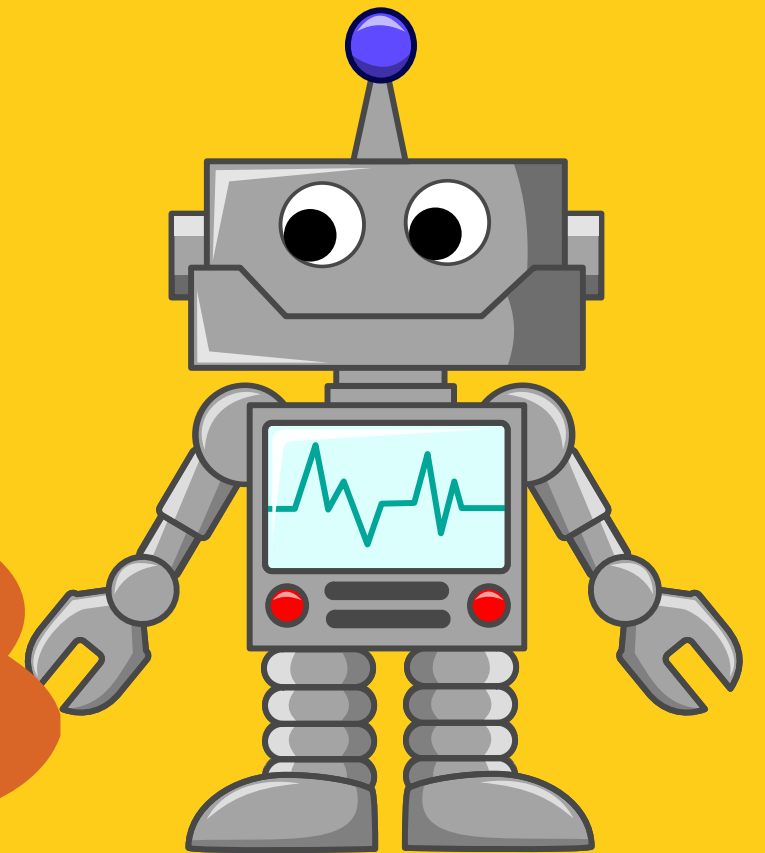

BOT: Why?, These animals are too lazy? What they feed for this hippopotamus??. What do monkey's do with its longtail???

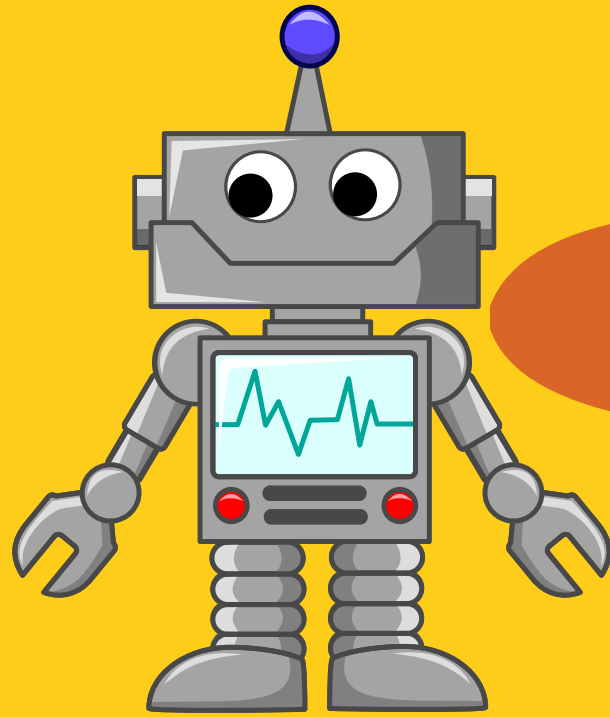

CAT: You are asking lot of questions. But, He thought its all reasonable

CAT: Here, Lion. And its the King of the Jungle. It eats meat & has aloud roar

BOT: Are you a lion, cat? you have a mane & a tail. Do you eat meat & roar too?

LION: ZZZzzzz...

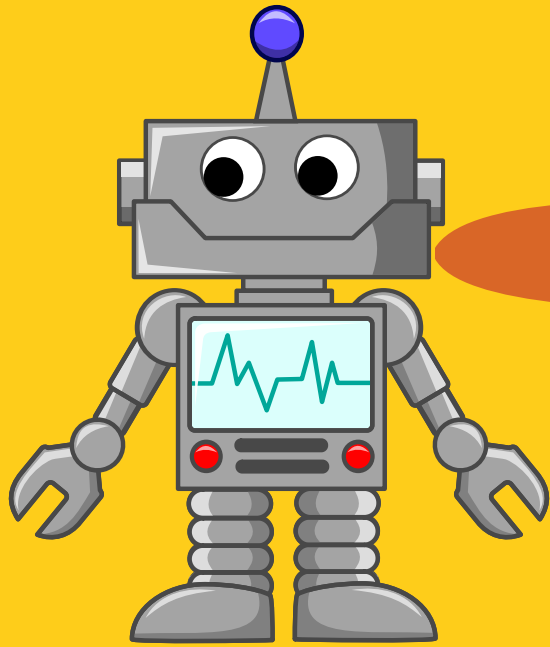

CAT: No, I'm a cat. I have a different diet & a different sound. And it's not a mane, it's a tie

BOT: I will teach you how to roar. ZZZzzzz...

CAT: You fool!!, It's not roar, It's his snore. Your'e disturbing the animals & the people. Let's go.

BOT: What animal is there

CAT: That's ice-cream!! But  
it's too crowded

BOT: I'm thirsty

CAT: I'll buy you a drink. See  
there is a vending machine

BOT: Thank you. My kind friend.

BOT: (Meanwhile) I'm curious about the restricted area. Ohh!! There is a slight opening

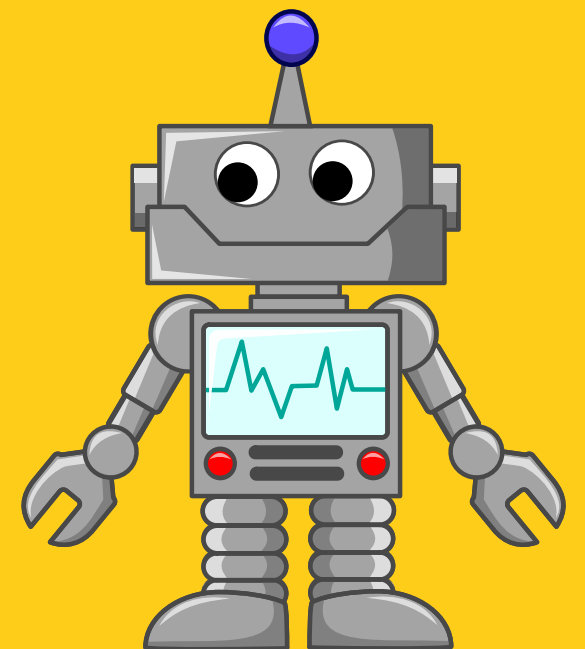

CAT: Here is your drink. Where are you, bot?

CAT: It's look's like a warehouse!!, bot. Stope making noise. It's irritating.

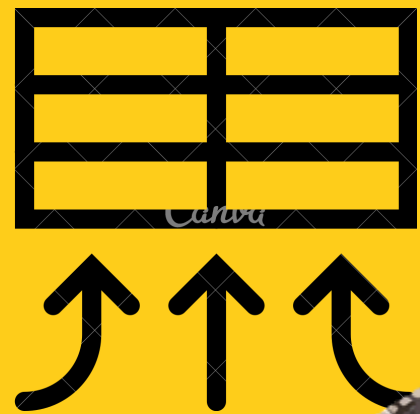

CAT: You idiot!! we strucked here

BOT: Yeah! you locked us in. You closed the door!!

CAT: Grr! (with clenched teeth & fists) How do we get out now??

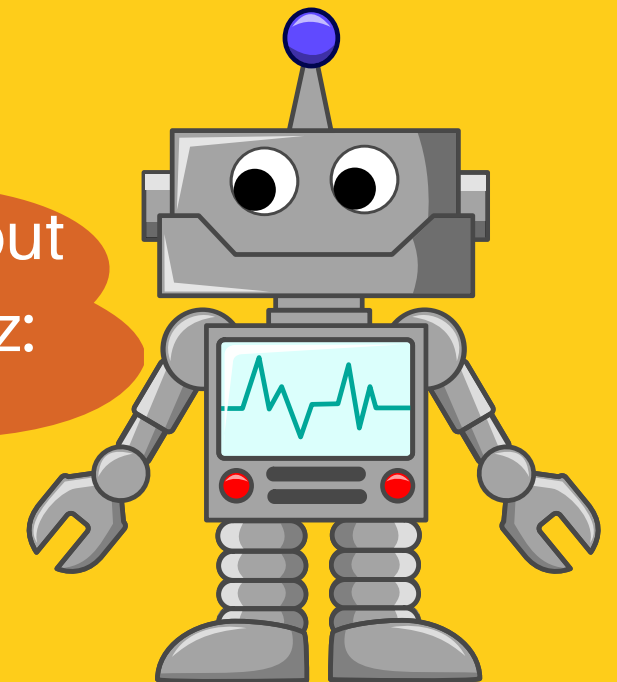

CAT: See, There is a ventilator shaft

BOT: Yes, help me too. Get out of this place. My friend. (bcz: Cat body is flexible)

**MORAL:** Human brains (cat) are unbeatable eventhough it's compared with AI
